

eReadingPro Workshop sponsored by the Auckland Down Syndrome Association

Learn HOW to teach your child/student to read!

Date: Tuesday 14 September
Time: 9:00 am – 12:30 pm Light refreshments
Location: Orakei Baptist Church, 96 Kupe Street, Orakei
Cost: Early bird: ADSA members \$30, professionals \$60 until 3 September
After 3 September: ADSA members \$45, professionals \$75

To register: www.adsa.org.nz or by responding below

Please note that at 1.00 pm we will be hosting a Resources afternoon to show our new library resources and meet the writers/distributors. See accompanying flyer.

You will learn:

- Reasons why your child/student may currently be struggling with reading;
- The importance of teaching your child to read early-especially if he /she has Down syndrome, autism, dyslexia, or other learning disabilities;
- How to create and use flashcards effectively to teach reading;
- How to teach your child to progress from reading single words to couplets, phrases, sentences and books;
- How to implement a fun reading programme that *works* for you and your child/student!

About the Speaker

Denise MacDonald's dream is that all children learn to read before they begin school, regardless of developmental differences.

Through workshops and guest speaking engagements around the world, personal outreach, and www.eReadingPro.com, this exceptional program has touched hundreds of lives in just four short years.

This engaging workshop provides parents and educators with the tools they need to give children the greatest gift ever - the gift of learning to read.

**This event is sponsored by
"Auckland Down Syndrome Association"**

Resources Presentation

Auckland Down Syndrome Association is establishing a lending library for members and schools where members attend. The funds raised from Buddy Walk and donations from parents, the companies below and others have made this possible. It is due to open in September.

We have invited a number of writers and distributors to show these resources and give you an understanding of how to use them.

Register to attend this event which is being the same day at the eReadingPro workshop.

Date: Tuesday 14 September
 Time: 1:00 am – 4.00 pm Light refreshments
 Location: Orakei Baptist Church, 96 Kupe Street, Orakei
 Cost: \$10.00
 To register: www.adsa.org.nz or by responding below

- The **Precision Academics Resource Bank** provides curriculum differentiation to support inclusive education for students of all levels of achievement.
- All resources are highly visual and completely success and outcomes-based.
- Resources are linked to NZ curriculum and are valuable for setting IEP goals
- Flow of the programme enables smooth transition from preschool through to Primary and Secondary and into adult learning.
- For more information go to www.precisionacademics.com.au

- A Step at a Time** from Resource Village teaches alphabet, sounds of letters, reinforcing letter formation, spelling and writing.
- Originally designed for students with Down syndrome
- Used extensively by reading specialists, home school families and schools
- Structure is highly practical and rewarding for students of all abilities
- For more information go to www.astepatatime.co.nz

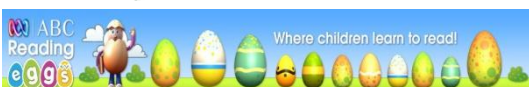

- Numicon** is an award-winning programme used internationally for students with all abilities, but shown to be of particular support to students with learning abilities because of its visual, tactile nature as well as the comprehensive multi-sensory teaching that follows best practice and is evidence-based.
- For more information go to www.numicon.co.nz

**HANDWRITING
WITHOUT TEARS®**

- Handwriting Without Tears** is a multisensory approach to handwriting while building in alphabet, reading and writing skills recommended by OT's and Literacy specialists internationally. Valuable for students of all abilities.
- For more information go to www.akoranga.co.nz

- Red Melon** to find all the SMILE products and more!
- For more information go to www.redmelon.co.nz

- Reading Eggs** an interactive computer-based programme to promote phonemic awareness, spelling and problem-solving
- For more information go to www.readingeggs.com
